WHAT SIZE SHOULD I SELECT FOR MY ROOM?

Choosing the right rug size for your living room, dining room, or bedroom is just as important as picking patterns and colors. The size and shape selected can really affect your living space. Our selection should be based not just on the size of your room, but the space configuration as well.

LIVING ROOM

OPTION #1
For smaller areas we recommend a 5' x 8' or 6' x 9'. The front of the rug should rest a few inches in front of your sofa. It is the exception to choose your sofa and armchairs that won't fit the front edge of the rug. If you are placing the rug under coffee table, make sure that it can accommodate 4 feet top of the table.

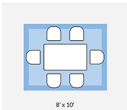

OPTION #2
Larger areas typically require a rug that is between 6' x 10' or 8' x 12. Place the front edge of the sofa on top of the rug. The center of the rug is the most important to consider when choosing a rug. It should be off-center if possible. All furniture should be completely within the rug surface without looking cramped.

OPTION #3
For larger areas we recommend a 9' x 12' or 12' x 15'. Place the front edge of the sofa on top of the rug. The center of the rug is the most important to consider when choosing a rug. It should be off-center if possible. All furniture should be completely within the rug surface without looking cramped.

DINING ROOM

Pick a rug that is large enough to hold all chairs, even when they are pulled out from under your table (at least an 8' x 10'). Common shapes used in the dining area are either rectangular or round rugs.

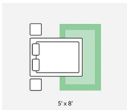

8' x 10'

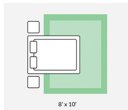

8' ROUND

BEDROOM

5' x 8'

8' x 10'

OPTION #1
Use the rug under the larger side to go with the headboard. Place the front edge of the bed on top of the rug, making sure the floor is visible on all sides. The front of the bed should rest at a point halfway across the rug.

OPTION #2
Place the rug under the top of the rug. Alternatively, you may choose the rug so that the head of the bed and nightstands remain on the floor. Use a size of 8' x 10' or 10' x 12' or 12' x 15' or 15' x 20' or 20' x 25' or 25' x 30' or 30' x 35' or 35' x 40' or 40' x 45' or 45' x 50' or 50' x 55' or 55' x 60' or 60' x 65' or 65' x 70' or 70' x 75' or 75' x 80' or 80' x 85' or 85' x 90' or 90' x 95' or 95' x 100' or 100' x 105' or 105' x 110' or 110' x 115' or 115' x 120' or 120' x 125' or 125' x 130' or 130' x 135' or 135' x 140' or 140' x
